

# RESURRECTION ROLLS

*As you're baking treats for Easter try this simple recipe to use as a talking guide for the Easter story!*

## INGREDIENTS:

marshmallows  
melted butter  
cinnamon sugar  
crescent roll dough

## DIRECTIONS:

Take the marshmallow and dip it in the butter, then roll it in cinnamon sugar. Place it in the middle of the roll dough and wrap it up tight. Bake according to dough instructions. When you bite into the roll, the marshmallow is gone!

## WHAT TO TALK ABOUT:

Jesus is represented by the marshmallow. After He died, He was wrapped up and put in a big tomb just like you wrapped the marshmallow up and put it in the roll. After three days, Jesus was gone just like the marshmallow! When Jesus came back from the dead, He paid the penalty for our sin and gave us the gift of new life.
